

## **Who are we?**

We are a group of patients who work together with practice staff, so that we can improve our GP services for everyone.

## **What do we do?**

- provide **feedback** about practice services
- make **suggestions** on how patients' experiences can be improved
- promote health and wellbeing **information** to patients

## **How can you contribute?**

- join our meetings—typically 4 per year
- sign up to our online Facebook patient group
- share your suggestions and ideas with us

If you'd like to contribute a little time, your skills and your opinion, please contact Rosemary on:
